Table Troopers 3 - In the Rain

(3 Times-Table)

Learning Objective Link - 3 Times-Table

Domain 3: Multiplication and Division

Year 3 Recall and use multiplication and division facts for the 3, 4 and 8 multiplication tables

Year 4 Recall multiplication and division facts for multiplication tables up to 12×12

Presentation and Prop Ideas

- This is an army marching song, and the teacher (or a child leader) would look perfect wearing an army hat and jacket! A set of simple actions are suggested below.

Adaptations and Extensions

- Use the backing track recording which does not include the children's responses to the Sergeant's commands to provide the children with a greater challenge!
- Turn down the music during the Trooper Table Testing section, and ask the children the table facts in your own order.

Actions

You could employ the following ideas for your Trooper routine:

Intro: Stand to attention

Chorus: Marching to the beat at half speed

Verse 1: Marching at full speed

Verse 2: Standing to attention, saluting when answering

Verse 3: Standing to attention, saluting when answering

Links

'Key Stage 1 Pack 3' contains 5 Multiplication Table Songs that explore the 2, 5 and 10 times tables.

Table Troopers 3 - In the Rain

(3 Times-Table)

Table Troopers! Table Troopers!
Learning as we march along!
Table Troopers! Table Troopers!
With this 3 times-table song!
