Top Number Fun Warm-Up Suggestions

This is a great warm-up action song for a mathematics lesson. The Pattern Parrot is challenging the children to continue action patterns. Pattern Parrot's shape version of this song is recommended below.

This song recaps on the days of the week. There are two versions of this video, this one with Sunday as the first day of the week and another with Monday as the first day.

Top Number Fun Shop Suggestions

All shop suggestions are downloads unless highlighted otherwise.

Shape Posters - Basic Set

This downloadable PDF includes 10 posters featuring the 2-D and 3-D shapes explored in this block of learning. Shapes are shown from different perspectives and orientations, using graphics and photographs from everyday life.

Shape Cards - Basic Set

This downloadable PDF includes the images of 2-D and 3-D shapes found in the Shape Posters - Basic Set. These cards are ideal for sorting, game playing, trading and reasoning about these shapes.

Small Steps

1: Recognise and name 3-D shapes

In this version of the 3-D Shape Song, children identify in different verses which shapes are cubes, prisms, pyramids and hemispheres.

In this version of the 3-D Shape Song, children help Bear to identify which shapes are cones, spheres, cuboids and cylinders.

Shape Posters - Basic Set

This downloadable PDF includes 10 posters featuring all six 3-D shapes explored in this block of learning. Shapes are shown from different perspectives and orientations, using graphics and photographs from everyday life.

2: Sort 3-D shapes

Shape Cards - Basic Set

This downloadable PDF includes the images of 2-D and 3-D shapes found in the Shape Posters - Basic Set. These cards are ideal for sorting, game playing, trading and reasoning about these shapes.
